HOBART & THE MUSEUM OF OLD AND NEW ART  
Tasmania

The HSC Art Retreat to Hobart and the Museum of Old and New Art has been planned to compliment Term 1 study of how museums and galleries provide a template for the display of contemporary art.

While at MONA, students will complete their 3rd Visual Arts Assessment Task for their HSC, comprising of case study questions, an essay and a virtual gallery curation. This is an amazing opportunity for students to gain a better understanding of contemporary art practice and see installation and interactive works in the flesh.

The students also get to visit a dramatic production at the Cascade Female Factory and enjoy an afternoon at the Salamanca Markets. This is a highly valuable trip for those students submitting a Body of Work for HSC Visual Arts.

OVERLAND OZ TOUR  
Northern Territory

Overland Oz has been taking students to work with community members to help plan, construct and implement orchards and food gardens within their communities to help with easily accessible fresh food produce.

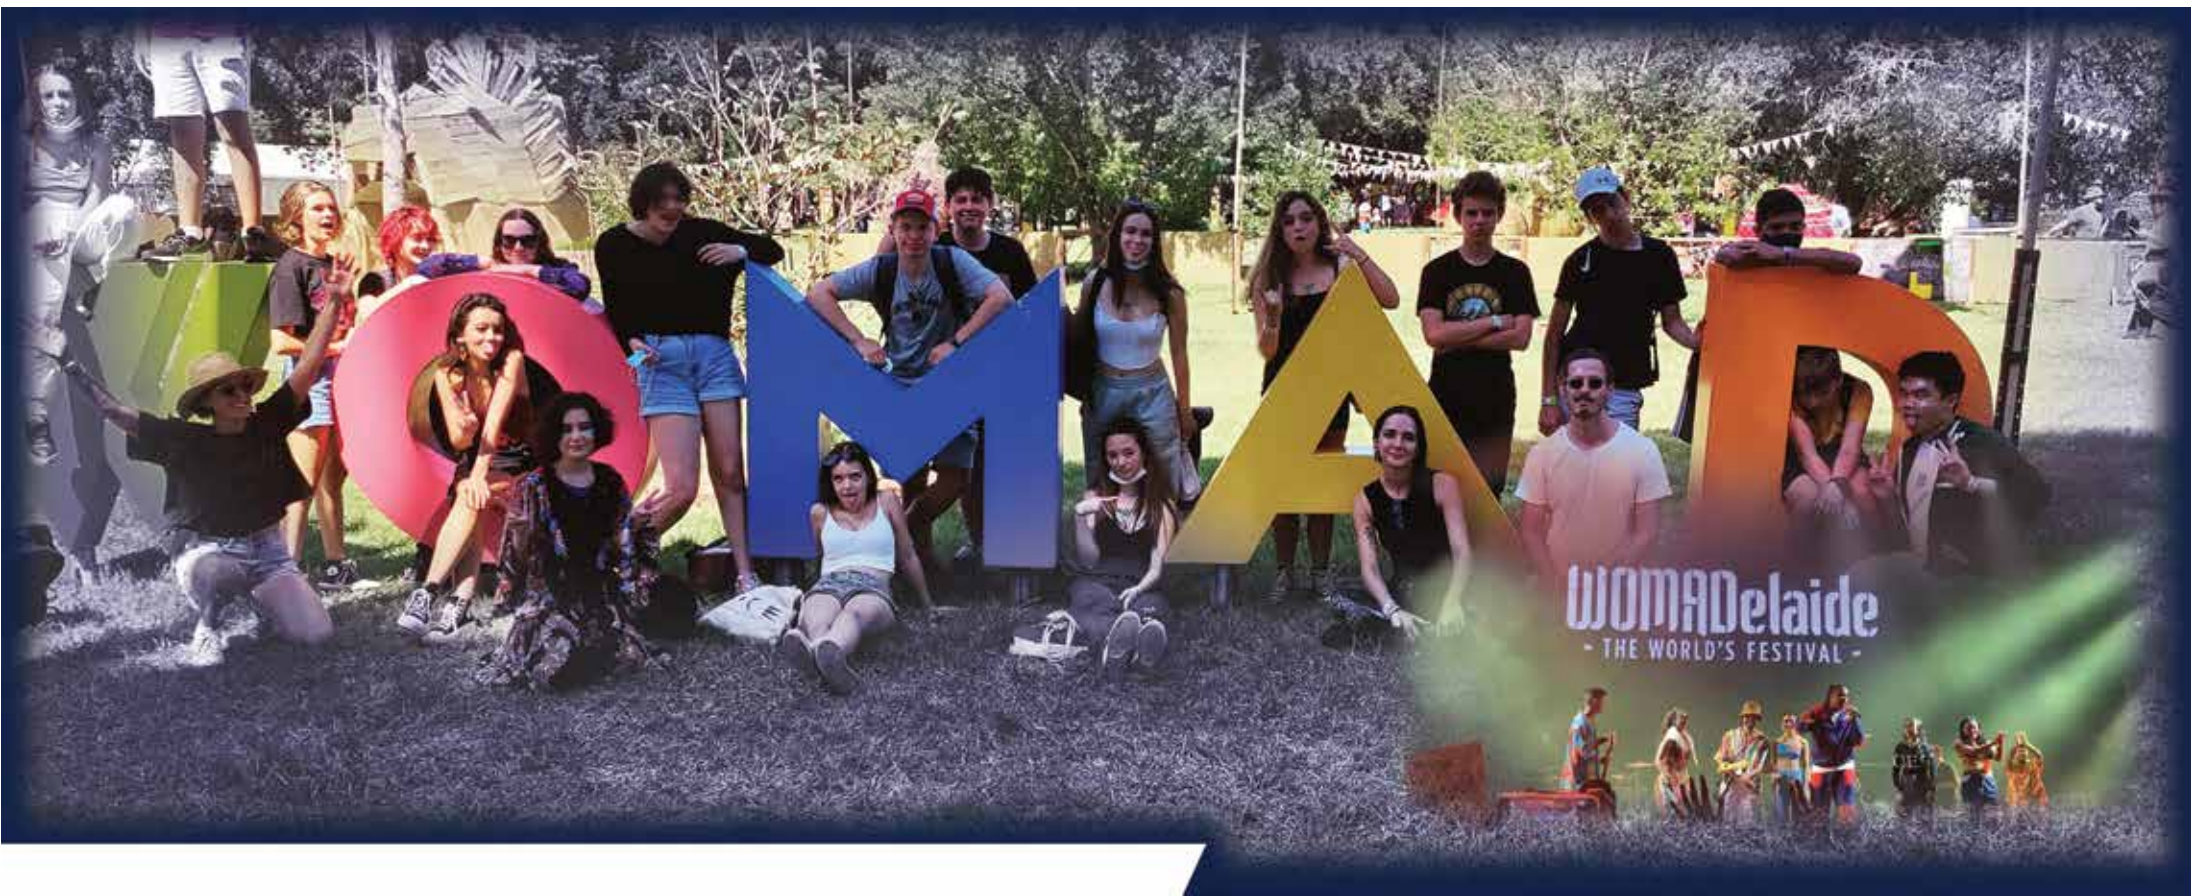

With the nearest shop a minimum of 45 minute drive away, it can become difficult to do your food shop, throw in road closures during the wet season and it is almost impossible. We do all we can to help with this.

To date we have fully built and maintained two food gardens containing more than 250 fruit trees and 100 vegetable plants.

Join us to help build sustainable food sources within Kakadu communities.

## MIDDLE SCHOOL DRAMA CAMP

### The Collaroy Centre, Collaroy Beach

The Middle School Drama Camp offers students the opportunity to collaborate with their peers through specialised workshops led by industry professionals. The camp is a fun and inclusive experience targeting key skills aligned to the Year 9 Elective Drama course and supporting the academic learning of all students. We extend their breadth of knowledge of a variety of performance styles including physical theatre and movement, Shakespeare, playbuilding and improvisation. Our students develop both critical thinking and problem solving skills, encouraging creative communicators who will achieve success across a diverse range of subject areas.

Years 8 and 9 Drama students enjoy the highly practical nature of the camp and work closely with a range of industry tutors, actively seeking opportunities to perform for their peers and showcase their acting skills.

## GEOGRAPHY TOUR

### **Daintree and Great Barrier Reef Expedition**

In the Geography stage 6 course, we look at Ecosystems at Risk as one of our focus areas of study. The case study to support this topic is the Great Barrier Reef.

We have an opportunity to spend time on the reef, looking at the impacts of tourism, shipping and fishing. We dive with marine biologists, recording species diversity as we go.

We take a look at bird sanctuary atolls, intertidal wetlands and immerse ourselves in traditional management techniques. This opportunity brings the topic to life for our students.

## ART RETREAT

### Q Station Art Retreat

Q Station is a contemporary take on the former North Head Quarantine Station. This site offers wonderful historic and visual influences for a range of artmaking experiences.

As Year 10 students expand into the world of Visual Arts, this is a fantastic opportunity to view the world in exciting new ways and develop a diverse range of new skills and techniques to be able to develop their individual styles. The workshops that students will be engaged in are designed to explore content that meets specific syllabus objectives.

Workshops are conducted in a wide variety of situations such as along the foreshore and at various aspects across the property. The students experience a history tour as well as a ghost tour of the site and stay in hotel accommodation. They are involved in photographic, sculptural and mixed media workshops.

**Tour Objective:** Art Retreat

## YEAR 12 DRAMA CAMP

### The Collaroy Centre, Collaroy Beach

An exciting and unique opportunity for all Year 12 Drama students to begin very important practical work on their HSC Group Performances. Facilitated by Drama teachers, Will Hodgson and Chris Montgomery, this weekend of devising theatre includes tuition and guidance from visiting theatre industry professionals such as Swoop Physical Theatre and Shock Therapy Productions.

Students undertake an intensive series of workshops that introduce a variety of stimuli, provocations and theatrical styles. On the final day of the weekend each group of students performs a work-in-progress showing of their original devised work, gaining valuable feedback from their teachers. This performance work contributes considerably to their final HSC Group Performance.

Compulsory for Year 12 Drama students.

## ART RETREAT

### Chowder Bay & Cockatoo Island

As part of the Year 9 Elective Visual Arts Course, Year 9 artists will attend a 3-day art retreat at Chowder Bay & Cockatoo Island on beautiful Sydney Harbour. Students will be staying at the Land's Edge Conference Centre and taking a ferry out to Cockatoo Island where they will have the chance to explore the significance of both sites.

During the weekend, students will engage in practical workshops in drawing, painting, photography and mixed media which will greatly increase their artmaking skills. This is advantageous as they move through middle school and into senior artmaking. The workshops will involve being inspired by and responding to our magnificent Australian landscape and the flora and fauna that inhabit our environment.

## MUSIC

### Gold Coast Eisteddfod Tour

The Reddam House Senior Choir visits Queensland every other year to participate in the Gold Coast Eisteddfod.

We are very proud of our talented choristers, who have had great success in a variety of eisteddfods, including in the Gold Coast Eisteddfod.

Choir Tours offer an opportunity for choristers to bond and practice responsibility whilst enjoying educational activities to further their choral skills as a team. At the competition itself, students observe other choirs from all around Australia, and learn from their performance repertoire choices. As this is a voluntary activity, RHAP points are earned towards music for our end of year Reddam House Art and Performance Awards.
